We Need You! Can You Help?

Welcome back to the 2007-08 school year! As we plan the coming year of activities and events, we invite all our parents to participate in whatever way they can. We have listed below the many volunteer opportunities available this year. Please check any of these you are interested in and send the form back to school with your student to Mr. Parker's class. As more opportunities develop, they will be listed on Mr. Parker's website at http://www.cvsd.org/centralvalley/classes/fine_arts/eparker/. If you have any questions, please call me or e-mail me at denosunhugger@msn.com. I'm looking forward to meeting all of you and working with you this year as we support the program and students in a time honored tradition of excellence at CVHS.
