

# Partnership Pledge

**Yes!** Our organization pledges to partner in advancing character education and join the PACE initiative to raise awareness about the importance of good character throughout our community. We understand that we are an integral part to the success of PACE and will commit to the program in a way that fits our organization.

As a partner, we agree to allow PACE to list our organization's name to represent our commitment to character education.

**We pledge to support the program by implementing one or more of the following partnership activities:**

- Display PACE poster in place of business (window/door)
- Use our reader-board/signage to display the character trait of the month
- Involve our employees in the program
- Promote PACE and the character trait of the month and encourage others to get involved
- Designate a person from our organization to act in a leadership role as a "Character Champion" who would be available to speak at school or community functions
- Make a financial contribution to support the PACE initiative

*The Northeast Washington Education Council (NEWEC) is the designated fiscal agent for PACE. Contributions may be sent to 4202 S. Regal, Spokane, WA 99223. NEWEC is a tax-exempt 501(c)(3) organization.*
