## TERMS AND CONDITIONS

(Chronologically Sorted by Event)

**BIDDER:** Legal representative of the vendor submitting a bid or quote on the vendor’s behalf who must be able to bind the company represented.

**BID vs. QUOTE:** Your bid (quote) is the price submitted, but also considered a quote if it is published as Request For Quotation. The legal definition for bids vs. quotes determines the process in which the district goes through, but doesn’t change the way this “bid” or “quote” is submitted by the Bidder. One main difference between a bid and quote is that a quote is less formal. Therefore, the District may choose to obtain quotes for items after the date and time it is due, unlike a bid, usually because of a lack of competitive pricing on an item. Look at the Invitation at the top of this document to determine if this is a bid or quote.

**BID QUOTATION:** Unless otherwise specified, all prices shall be for new merchandise. Unless designated “**all or none**”, Bidder may bid on any or all items. Prices quoted shall include all handling and packaging costs. Prices quoted for equipment shall include cost of instruction and service manuals where appropriate. The District reserves the right to accept KCDA contract pricing in lieu of a bid.

**ADDENDUMS:** Should Central Valley School District consider it necessary to revise any part of this bid, an addendum will be made available on our website at [www.cvsd.org/purchasing](http://www.cvsd.org/purchasing). All official clarifications or interpretations of the proposal documents will be by written addenda. Clarification given in any other form will be informal and unofficial. Check the Purchasing website at [www.cvsd.org/purchasing](http://www.cvsd.org/purchasing) under the Bids (or QUOTES if this is a Request for Quotation) section to check on any published addendums prior to submitting a bid. The sole responsibility for obtaining and learning of Addendum belongs to the Bidder. The District accepts no responsibility or liability and will provide no accommodation to Bidders who fail to check for addendums and submit inadequate or incorrect responses.

**ACCOMMODATIONS FOR THE DISABLED:** Individuals with disabilities who may need a modification to participate in a public bid opening meeting should contact the director of plant and maintenance office no later than three days prior to the scheduled bid opening so that arrangements for the modification can be made.

**ASSIGNMENT:** This contract shall not be assignable in whole or in part without written consent of the District. It is the policy of the Central Valley School District to withhold consent from proposed assignments, subcontracts, or novation when such transfer of responsibility would operate to decrease the School District's likelihood of receiving performance on the contract. The School District does not normally object to the granting of

assignments for financial purposes provided that the original Proposer retains all of its responsibilities and obligations under the contract. In the event of any assignment hereunder to which the School District has consented, each such assignment shall contain a provision that further assignments shall not be made to any third or subsequent party without additional written consent of the School District.

**CHANGES TO OUR TERMS AND CONDITIONS:** By responding to this request the Bidder accepts all terms and conditions herein. Submitting letters with your response changing, taking exception to, adding additional terms, or otherwise conflicting with this document is not acceptable. Any changes by the bidder are null and void and won't be considered in order to keep all responses on the same level playing field. In some cases the District may decide to reject a bidder's response to a bid based on their attempt to make changes to the terms and conditions.

**EQUAL EMPLOYMENT:** Unless exempted by rules of the Secretary of Labor and issued to appropriate sections of Executive Order 11246, as amended by 11375, the Bidder agrees to supply District No. 356 a completed **"Equal Employment Opportunity Compliance Certificate"** if such is requested. The vendor agrees not to discriminate against any client, employee or applicant for employment or for services because of race, creed, color, national origin, sex or age with regard to, but not limited to, the following: employment upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or forms of compensation, selection for rendition of services.

**JURISDICTION:** This Agreement has been and shall be construed as having been made and delivered within the State of Washington and it is agreed by each party hereto that this Agreement shall be governed by laws of the State of Washington, both as to interpretation and performance. Any action of law, suit in equity, or judicial proceeding for the enforcement of this Agreement or any provisions thereof shall be instituted and maintained and venue shall be only in the courts of competent jurisdiction in Spokane County, Washington.

**PROPOSALS DISCLOSURE:** All proposals and other material submitted become the property of the Central Valley School District, regardless of statements to the contrary. Do not submit a bid to the district if you do not wish ALL information to be considered public information. Central Valley School District reserves the right to use any ideas presented in response to this bid. Public records are open to reasonable inspection by the public.

**PROPOSER'S CERTIFICATION:** By signature on their bid, Proposers certify that; they have read this bid; are authorized to bind the Proposer; agree to furnish the requested supplies, equipment or services in accordance with this bid.

**SAVE HARMLESS:** Bidder agrees to protect and save harmless District No. 356 against all claims, suits, or proceeding for patent, trademark, copyright or franchise infringements, and against any damage cost or liability for any injuries to persons or property arising from acts or omission of the Bidder or his/her agents, any of which result from the purchase of goods or services from his/her bid.

**TAXES:** State on your bid proposal form the rate of sales tax which your company is authorized by the Washington State Department of Revenue to collect for your Washington customers, or, if none, state 8.6%. The District

is exempt from certain Federal taxes and, where appropriate, shall provide an exemption certificate upon request to successful Bidder. The District is required to remit Washington State Sales Tax for purchases outside of Washington where no sales tax is collected. For evaluation purposes, the current tax/usage rate for the District will be used. i.e. 8.6%.

**ALTERNATIVES AND EQUALS:** The District often uses manufacturer's brand and model designations as a specification standard. In some cases, special brands are designated for compatibility with existing facilities or equipment. Offerings of alternate quality of features will, at District discretion, be considered on an "alternate" basis. Brands of equal specification, quality, performance, and use may be considered on an "or equal" basis; however, the District reserves the sole right in determining "equals". All bids must include complete description and descriptive literature with the bid document. Alternates and equals may be evaluated to determine their acceptability for future bids, or for the current bid if time allows. If the District accepts a bid on an "alternate" or "or equal" basis and the Bidder has bid the wrong item, as determined by the District, the Bidder agrees to pick up the item at their expense and refund any payment for the item within 30 days. For quotes, the district may choose to change requirement of a brand after the quote is due and solicit a response from a limited number of potential vendors, instead of all bidders on the bidder's list (potentially dozens of vendors).

**SAMPLES:** In some cases, samples are requested to be furnished by the Bidder at no charge to the District to determine acceptability of an item. Samples may be evaluated to determine their acceptability for future bids, or for the current bid if time allows. Samples up to \$10.00 may be accepted. The Bidder must contact the Warehouse Manager, Brad Morris, at (509) 228-5478 to determine the quantity required for items that may need more than a \$10.00 sample (as determined by the Warehouse Manager) to evaluate. If the Warehouse Manager determines a larger sample is needed, he may purchase the necessary quantity in order to evaluate the product.

**All Samples must be labeled with: 1) Bidder's Name, 2) Bid Number, and 3) Bid Item Number.**

**BID CHANGES OR WITHDRAWAL:** All changes and erasures must be made before bid/quote is due and initialed. Bidder may not withdraw his/her bid or quote after the bid/quote is due.

**ACCEPTANCE / REJECTION:** The District reserves the right to accept or reject bids on each item separately or as a whole, to reject any or all bids, to waive informalities, and to contract in the best interests of the District. Successful Bidder shall enter into contract with the District within ten (10) days from date of purchase authorization from the District's Board of Directors.

**AWARDS:** The Central Valley School District reserves the right to increase or decrease the quantity on the bid forms and still contract at the original bid price and reserve the right to reject any or all bids and accept those bids deemed in the best interest of the school district. Each item will be awarded separately. Successful Bidder(s) will be notified by the purchasing department via a purchase order. Purchase orders are expected to be mailed out by October 25, 2005.

**BID TABULATIONS:** Bid tabulations will be available on-line exclusively at [www.cvsd.org/purchasing](http://www.cvsd.org/purchasing) in the BIDS or QUOTES section respectively under the bid/quote number associated with this bid/quote once they are complete.

**MINIMUM AWARDS:** Total awards of less than \$250 to any one vendor for all items awarded on this bid will be canceled and awarded to the next lowest Bidder who will have an award of more than \$250. The Bidder may receive awards of less than \$250 by writing on each signature page "NO MINIMUM ORDER". Also see **BID COMPLETIONS** above.

**FAILURE TO PROVIDE GOODS:** If the Bidder fails to deliver under DELIVERY below, the Bidder agrees to pay the school district the difference between the bid amount and the cost of goods from the next or alternate Bidder, or if current bid prices are no longer available, a current quote.
