DY-700 PLASTIC FOLDING CHAIR DOLLY

Lightweight Plastic Folding Chair
 Lightweight Folding Chairs have a plastic polypropylene seat and back on a sturdy electrically seam-welded tubular steel frame. Folding slide mechanism under seat allows for smooth folding and molded design allows for one on top of the other storage. Great comfort with sensitivity to space constraints. Plastic folding chair dolly ideal for moving and storing, stacking up to 50 chairs recommended. Please order chairs in quantities of 6.
