

Evergreen Middle School

“Where Good Things Happen”

Principal's Grizzly e-mail
September 21-25, 2009

Mark your calendars for Tuesday, September 22 for Back to School Night! The Evergreen Middle School PTO is sponsoring desserts at 6:30 PM in the cafeteria. The general program will start at 7:00 PM in the gym and at 7:15 PM, parents will be off on an abbreviated adventure that our students travel everyday! Parents will go through their child's schedule, spending 10 minutes per period with classroom teachers and give 4 minutes of passing time between class. This is an opportunity for parents to meet their child's teachers and get a taste of learning at Evergreen Middle School. Students should be bringing home a Back to School Night invitation with their schedule on Friday, September 18. Note the operative word, should. Remember, these are middle school students and we can't pin the invitation notes to their shirt. Individual student schedules will be available in first period classes if you don't get one from your child.

Individual student scores from the 2009 WASL (Washington Assessment of Student Learning) will be available to parents at Back to School Night. Those WASL results not picked up will be mailed home starting on September 23.

Our PTO will unveil the “**NEW**” 2009 GRIZ WEAR design at Back To School Night! Order forms will be available for this pre-order event. I am encouraging parents to join our PTO this year. The cost per family, per year is \$6.00. Our PTO supports not only Evergreen Middle School students and staff but also provides scholarships for graduating seniors that previously attended Evergreen. The PTO will also be soliciting help for the various committees and upcoming events so please think about helping out. Memberships are available in the EMS office and at Back to School Night.

All families were sent a detail letter with information about the H1N1 flu. If you did not receive this informational letter (dated 9/16), please feel free to contact our office for a copy of the letter. Visit our district website at www.cvsd.org for updates as the flu season progresses.

On Monday, September 21, the Fall sports season begins competition. Good luck to all of our 7th and 8th graders participating in these after school activities that include Cross Country, Football and Softball.
