"Where Good Things Happen"

Students Urged to Ride the Bus October 12-16

A year's worth of transportation funding rests on just five days: **October 12 – 16**. During **Central Valley's Ridership Week**, our bus drivers will be counting every student rider who boards a bus to school. The results of these ridership counts will generate the state revenue our district receives to support student transportation throughout the year. As operational costs continue to rise, every dollar counts. Please encourage your students who will ride the bus at any time during the school year to get on board this week!

I am looking for three (3) parents that would be interested in attending and providing input for the Central Valley School District's upcoming Strategic Plan. Parents will be asked a series of questions that will be used to help guide the Strategic Plan as it is developed. We are simply asking for our parents' thoughts on the direction that our district should consider as we develop a plan for the future. This ONE TIME meeting is scheduled for October 20th from 6:30-8:00 PM. If interested, e-mail me back or call 228-4780. It is important that we represent the Evergreen community.

The last day to turn-in magazine orders is Tuesday, October 13th. This magazine drive is our one and only ASB fundraiser for the year and this year's goal is \$16,000.00. Thank you for again supporting our student activities through your purchases and for cluttering the coffee table with another magazine that you don't have time to read!

Students will be bringing home their first progress report on Friday, October 16th. If your child "loses" it, login to http://www.cvsd.org/student_information_system.asp and get that report.

Your child should bring home a student-led conference time this week. At the conference, students will have the opportunity to share their Gates/MacGintie and WASL scores. They will also share their academic goals. At the end of the conference, the student and parent(s) will be able to pick and write one goal together. After the conference, parents will have the opportunity to meet briefly with teachers regarding academic progress. October 20th-23rd are early dismissal days for conferences

Calendar of Events

10/12 Mon - Math is Cool 7:30 AM
10/13 Tue - Magazine drive collection #3
Last day to turn-in orders
10/14 Wed - Mentor meetings 4th period
