

SIP Action Plan Outline

(One form for each goal.)

School Name: Greenacres Middle School

Date: Fall 2006, FINAL DRAFT

Principal Name: Vern DiGiovanni

School Improvement Goal: **TECHNOLOGY:** Teachers at Greenacres Middle School will be given the technology and training to move to a Tier 3 teacher as outlined on the "Tiers of Technology Integration into the Classroom Indicators" created by the state.

Rationale: As teachers are able to receive training and the tools to use technology in their classroom student learning with technology as a tool will increase

Activities: Steps to be taken. What will occur?	Who is Responsible? Who is involved? Who will provide the leadership? Who will do the work?	Timeline: When will this strategy or action begin and end?	Resources Needed: What existing and new resources will be used to accomplish the strategy?	Expected Impact: What measurable change will be seen?	Monitoring Effectiveness: For each activity, what formative evidence will be gathered to demonstrate progress?
Inservice training for the use of EdClass with students in all subject areas for all teachers	Barsness, Eickerman	2006 school year	Inservice Time	Teachers will use the program with students and technology will be used as a tool for learning with "just in time" instruction	Teachers will be asked to log their use of EdClass
All teachers will have a website	District technology department	2010	Training offered both AM and PM for teachers at school site	Teachers will create and be able to update website for communication purposes to the community	Record of increasing numbers of teacher websites
Teachers will use United Streaming to enhance student learning		2006-2010	Classroom projectors, quality speakers and peripheral devices to connect to classroom computers	Teachers will be able to enhance instruction and learning through the use of media	District documentation of classroom use of United Streaming...
Teachers will be able to communicate with parents using email groups	Barsness, Eickerman	2006	Time for instruction and to set up the class groups	Communication with parents will increase	Positive feedback from parents on survey provided by Perceptions Team
TOTAL:					

Procedures for Evaluating Progress Toward Goal:

In order for staff to use EdClass and United Steaming, technology will need to be purchased (media projectors). Part of the procedures for evaluating the progress towards our goal will be the availability of current technology for the classroom. We will also measure our monitoring of effectiveness to show increase in classroom websites as well as the use of EdClass and United Streaming.
