

## **Attention Liberty Lake Residents:**

To ease congestion on Molter Road, a new traffic flow for dropping off and picking up Liberty Lake Elementary School students has been in place since September 2006. About a half-hour before (8:35 a.m. to 9:10 a.m.) and after (2:40 p.m. to 3:10 p.m.) school, Boone Avenue will be blocked at Molter Road. Heading south on Molter Road, posted signs will direct drivers to continue past the school and make a left turn on to Country Vista Drive. Drivers will then follow Country Vista Drive and make another left-hand turn on to Boone Avenue. Traffic will proceed westbound on Boone Avenue to Liberty Lake Elementary School. Approaching the school, drivers will pull into the parent valet area, then exit eastbound on Boone Avenue and follow the same route along Country Vista Drive back to Molter Road.

**Thank you in advance for your kindness and patience in helping us achieve a greater level of safety for our children and community.**
