

Welcome to Fourth Grade

I am Mrs. Gotfredson, your teacher for next year. Fourth grade is the exciting beginning of your intermediate grade levels and one of my favorite grades to teach. I know this will be a memorable grade for you. I can hardly wait to meet you all!!!

You have one assignment before we meet each other. Look for a framed picture of yourself (no bigger than a 5 x 7 please) and bring it with you to Back to School Night or on the first day of school. It can be a family picture, you and your pet, you doing your favorite activity or just you! I'll be bringing one too and we will decorate YOUR classroom as you move in and begin this exciting year of learning.

You still have some summer left. I know I have enjoyed my break. I traveled a bit, gardened, and I read books about teaching writing and science. My favorite and most relaxing activity was watercolor painting. You'll need to be ready to tell me about your summer!!!!

See you soon,
Mrs. Gotfredson
