

Dear Boys and Girls,

Welcome to my Fourth Grade Class! My name is Mrs. Hansen and I have been teaching at Liberty Lake Elementary since it opened. I really enjoy teaching here and I am looking forward to the coming year. I have already begun planning many exciting activities for our class. We learn about the State of Washington in Social Studies, The Human Body in Science and of course we read many good stories! Fourth Grade is a great year of learning and fun!

I have also had quite a bit of fun this summer. I have gone camping with my husband, sewed a few projects, worked in my yard, and read many good books! I hope you have had a good summer! Soon August will be over and it will be time for school to begin. I can't wait to see all of you in September!

Sincerely,  
Mrs. Hansen
