

Welcome to Liberty
Lake Elementary School!!

Dear First Grader,

Welcome to first grade! I am so glad you are going to be in my class and I can't wait to meet you.

First grade is going to be a lot of fun with so much to learn and do! You will learn to be an expert reader, writer, speller, and mathematician. Together we will learn about many things in science, social studies and art. You will work on the computer and visit our computer lab. In first grade you go to music, library, Health and Fitness, and go on a field trip too. You will make lots of new friends this year. I hope you are as excited as I am to have fun learning together!

Have a wonderful, fun-filled summer with your family and friends. I am having fun, swimming, camping, reading, gardening, spending time with my kids and getting ready for this Fall!! We will talk about the fun we had when I meet you in September!

Sincerely,
Mrs. Morgan
