## EAGLE GREETING CARD ORDER FORM

Below, you can order your very own student-created packs of Eagle Greeting Cards. You can choose between a 10-pack of your own child's card or a class set of 21. We are enclosing with the cards a donation form to Turnbull. The donation amount will be determined by you! There's no obligation to donate; we'd like to support their generous organization as our service learning project.

Please place a check in the box you'd like:

10 Gift Cards my child created

A Class set with one card made by each child
