Mrs. Kristi Amend	kamend@cvsd.org	228-4268

Math

Third Grade

-We completed work on Unit 10-Measurement. It was a quick introduction to many skills that will be reviewed next year.

-We are working on Unit 8-Fractions. This covers basic skill about fractions, equivalent fractions, and mixed fractions.

Fourth Grade

--We completed unit 9 this week and will have an assessment on Monday. Our focus has been on converting fractions, decimals, and percents as well as multiplying and dividing with decimals.

--We will finish the year by combining units 11 and 12 with a focus on capacity, integers, and rate.

Expedition

We need your 2 liter bottles!

Our May focus at Summit School is ecology. Navigators have been learning about the importance of reusing and recycling. Summit parent Ron Schneidmiller from Sterling International Inc. visited to talk to us about a recycling project we can be a part of. His business produces the Rescue bee catchers sold in many local stores and is now working on a product that will attract filth flies. 2 liter bottles are needed for the manufacturing of this product and the Navigators have been hired to help! Please talk to your student about what needs to be done to make this project successful.

Upcoming fieldwork—Navigators will be visiting Earthworks Recycling on Monday and Tuesday. Students need to wear tennis shoes that day. Pictures will be taken in the morning, if you need to bring a change of clothes for our trip, you may do so. This does not apply to Ms. Honn's room.

Literacy

-Students have been discussing and journaling with their book clubs.

-Through expedition, Navigators wrote informational/persuasive to their neighbors on reasons to recycle.

Community Time

-Kickball, frisbee, and mixed games are the rotations for our final community time. Students will rotate through each activity during the rest of the month.

-Students with missing or late assignments will spend community time in study hall.

Upcoming Events

- Monday, May 14—Class pictures
McElgunn/Melcher to Earthworks Recycling
- Tuesday, May 15—Class pictures for Miss Reeve's basecamp.
Honn/Reeve to Earthworks Recycling
- May 19—Miss Reeve graduates from the Masters' program at Whitworth College!
- Monday, May 28—No School/Memorial Day
- Friday, June 1—All school BBQ/Ecology Culmination
