Expedition

Liberty – What does it mean to have it and why do people want it?

This week in expedition the Trail Blazers are creating a timeline showing their knowledge on the major events leading up to the Revolutionary War. Students will also be working on a geography assignment that includes significant land features located in the 13 colonies.

Math

We will have no formal math class due to WASL testing this week.

Writing

We are continuing to focus on the writing Raft that is centered on the Sons of Liberty and the event of the Boston Tea Party.

Reading

Book clubs are continuing this week. Ask your student what their jobs what is happening in their book. Also inquire into what new character traits they have been learning.

WASL Testing

Remember to support your child during the next weeks of testing by helping with the following:

- ~Getting plenty of rest
- ~Good breakfast and nutritious snacks
- ~Encouragement!!

Talk with your child about the test and encourage them to just relax and try their best.
