

The Voluble Voyager

Friday, October 5th, 2007:

Thank you to everyone who has been able to contribute towards our National Geographic Extreme magazine subscription! We are \$60 of the way towards our goal of \$250. We are still collecting donations if you are able to do so. Our first issue will be arriving next week!

A special thank you to local mountaineer Kay LeClaire, who came in to share her adventures with us this past Tuesday as part of our Healthy Living studies. Kay is a senior member of our community who has not let setbacks and challenges diminish her dream for an Everest Summit (she has made 3 attempts .) She is a brilliant scholar and accomplished athlete who lives each day to the fullest.

The Voyager team is planning a Veterans Day assembly at Summit School. We are looking for Veterans of all ages and from all branches of service who would be willing to come participate with us on Friday, November 9th. If anyone is interested in participating, please contact Ms. Mourant at 228-4276 or jmourant@cvsd.org. Thank you!

Reminder! Please bring to school your school supplies from the school supply list. It would greatly help us in implementing our expeditions.
