

U-High Class of 2010 Senior All Night Party

Dear Senior Parents:

Welcome to your child's Senior Year! Part of the senior year experience at University High School is the opportunity to attend the Senior All Night Party. It is a grand event following the U-High graduation ceremony on Saturday, June 12 from 9:00 PM to 4:30 AM. It is the last time the seniors will be together; your senior won't want to miss it! Close to 90% of senior students attend this event each year. Early ticket sales are important and a special discount has been provided and is used to help fund this self-supporting event. The party includes food, entertainment, activities, and prizes for all.

Equally grand is the planning and execution of the party. This year-long activity for parents of the Class of 2010 has begun. Volunteering is a fun and rewarding experience. We provide our children with a terrific send-off, and we get to know other parents in the process. There are many long-term and short-term volunteer opportunities.

Here is some additional information about the Senior All Night Party:
